

## Teacher Presenter Application

Thank you for your interest in facilitating a professional development opportunity for our school or district. Please take some time to answer the following questions so we can best assess your fit in our school's or district's professional development plan.

1. In what area or topic could you facilitate professional development? What makes you an expert in that area?
2. What engaging strategies will you use in your professional development session with new teachers?
3. What strategies or support will you provide after the professional development session is over?
4. How will you measure the success of your professional development session?
