

Diagnostic Tool for Tier 2 Targeted Interventions

Criteria for effective Tier 2 targeted interventions:

- Match learning needs with intervention.
- Provide learning experiences that differ significantly from those in Tier 1.
- Provide intensive progress monitoring to identify the specific learning gaps.
- Ensure that all students have access to targeted interventions (materials).
- Ensure that students have opportunity for action on the specific learning target gaps.
- Require student participation in the interventions; these are not optional.
