

# Building Responsibility

## Awareness

Teachers can help students become more aware of inappropriate behavior.

## Choices

Teachers can offer many manageable opportunities for students to become better at predicting and choosing by providing both academic and behavior choices.

- ▶ Unconventional choices
- ▶ Why provide choices?
- ▶ Limits and Choices

## Planning

Students are guided through a planning process to help them become more responsible.

- ▶ Elements of an effective planning process:
  - ▶ State problem.
  - ▶ Share positives.
  - ▶ Ask students to plan solution.
