Being Cool and Being a Friend

1 I always try to listen well when someone is talking to me.	2 I always have money to buy the latest video game.	3 I try to be fair with everyone.	4 I try to be happy and friendly to people.	5 Other kids think I'm pretty good looking.
6 I can make other kids do what I want.	7 I care about other people's thoughts and feelings.	8 I send silly text messages to try to make the other kids think I am funny.	9 I do what the other kids say even if I know it is wrong.	10 I make promises to my friends online but then don't keep them in person.
11 I always stick by my friends even if other kids pick on them.	12 I am captain of the football or basketball team.	13 I try to talk to and get to know lots of different people.	14 I let other kids hang out with me only if they do what I say.	15 I text all my friends and tell them how great I played in the basketball game on Saturday.
16 I try to be responsible and do the right thing by my friends.	17 I get really good grades in school.	18 I always have the coolest new technology.	19 I feel good about myself, and I like to help make others feel that way, too.	20 If I am chatting online with my friends, and they start to say nasty things about someone in our class, I don't join in the conversation; I log off.
