

Name: _____

Mapping Associated Harms

Level of harm ↓	Likelihood of occurrence			
	Very likely: Could happen any time	Likely: Could happen some time	Unlikely: Could happen but very rarely	Very unlikely: Could happen but probably never will
High-level harm	1	1	2	3
Moderate harm	1	2	3	4
Low-level harm	2	3	4	5

Heading	Risk—List three potential risks for each of the headings, and rate these using the preceding harm scale. Think about how you and your friends use technology, and use these as examples.	Harm rating
