

Name: _____

Choices and Consequences A

What is the situation?

At recess, you notice an older student playing soccer with a group of elementary school students. The older student is much bigger than the other students and always has the ball. The older student constantly yells at the younger students, telling them off and calling them things like *stupid* and *useless*. You can see the younger students are not happy or enjoying the game.

Plan—What could I do?

What might happen?
