

## Figure 5.1: Experimental-Inquiry Notes Template

The question I am investigating is \_\_\_\_\_.

My hypothesis is that if \_\_\_\_\_ then \_\_\_\_\_ will occur because of \_\_\_\_\_.

To test my hypothesis I will do the following things:

1.

2.

3.

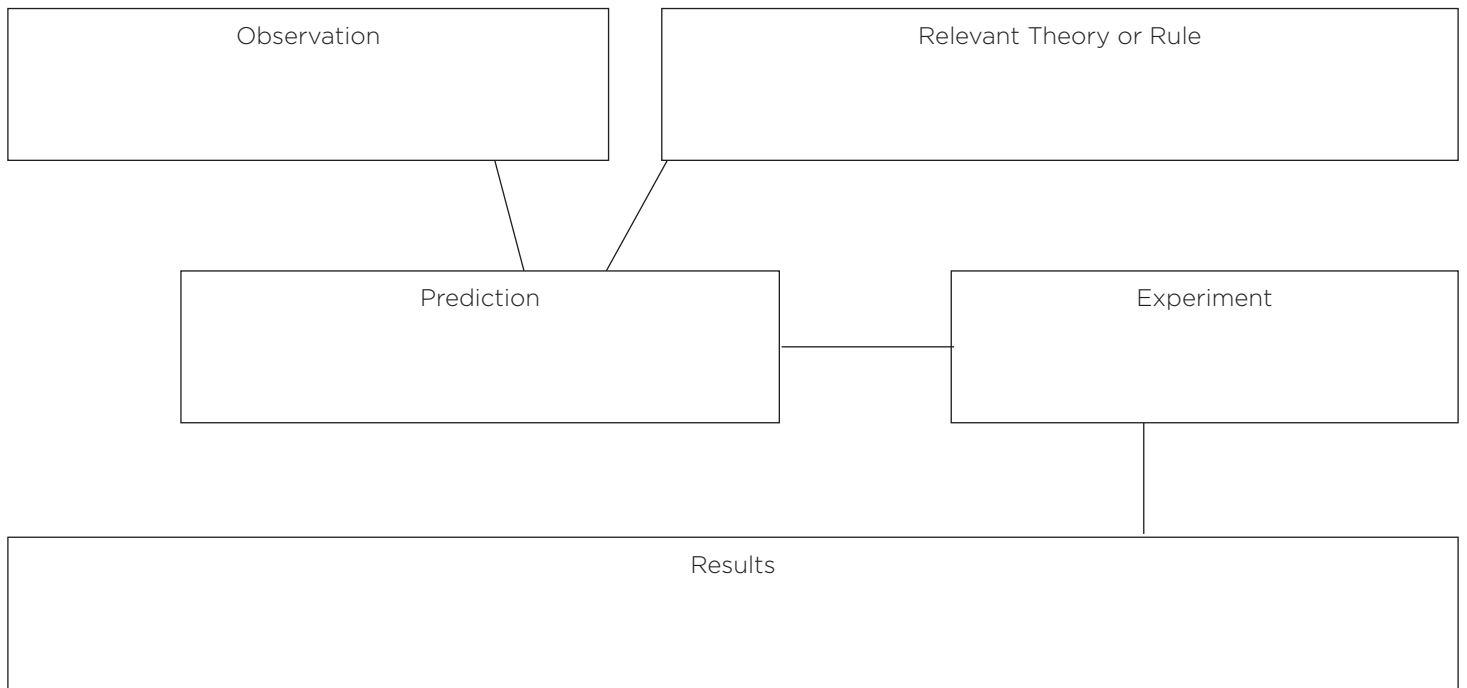

As I conduct my experiment I notice:

The results of my experiment show:

# REPRODUCIBLE

My observations and results lead me to these conclusions:

## Experimental-Inquiry Model
