

## Visual Analogies

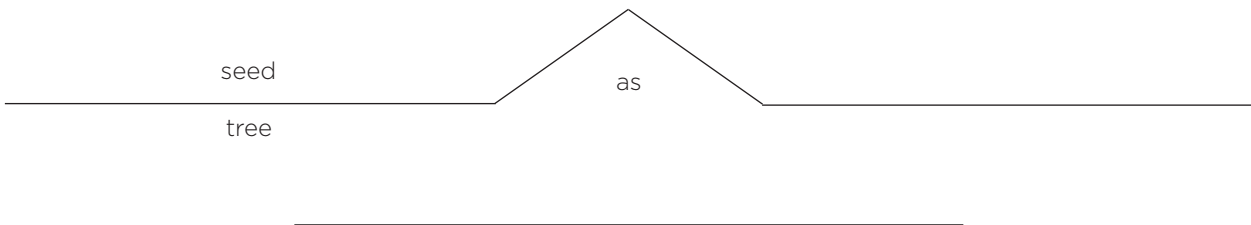

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Class: \_\_\_\_\_

Complete the visual analogy by drawing an object in the empty space. Explain what kind of relationship is represented in this analogy and how your image completes the analogy.

Complete the analogy by filling in the empty spaces above and below the right line. Beneath the middle of the diagram, write a word or phrase that describes the relationship between the two objects on both sides of the analogy. Explain your reasoning for your choices in a few sentences.
