

Student Self-Assessment of Discussion

Activity	Poor	Fair	Good
Came to class prepared with notes and sections of the book or reading material bookmarked			
Shared and defended my ideas and opinions			
Asked for clarification when necessary			
Asked higher-level questions of other students			
Spoke to all participants and was heard clearly			
Thought before questioning or answering			
Referred directly to the text and reading material			
Made connections to other speakers' comments; built on ideas and opinions contributed by others			
Did not interrupt and waited patiently for a turn to speak			
Listened actively			

Activity	Poor	Fair	Good
Wrote down thoughts and questions			
Respected others' opinions			
Actively sought to involve others in the discussion			
Developed a deep understanding of the topic discussed			

The goals for this discussion were:

- 1.
- 2.
- 3.

How well did I achieve these goals?

The most rewarding thing about this discussion was:

The most challenging thing about this discussion was:

The next time I am part of a similar discussion, I will make the following changes.
