

Chapter 15 Reflection Questions

Now that you have completed the chapter, consider and reflect on the following questions.

1. Think back to the last meeting you attended. What did your team accomplish? What did it fail to accomplish? How did you feel as you left that meeting?
2. Name a problem that you and your colleagues have been struggling with. How could you use divergent thinking to generate several possible solutions to the problem? How would you benefit from finding a creative solution that works?
3. Who at your school site would benefit from attending one of your next meetings, and what might he or she be able to contribute so that everyone attending could benefit? (Get creative in who you might be able to invite!)
4. What traditions have you incorporated, or could you start incorporating, into your meetings to further develop a sense of family?
